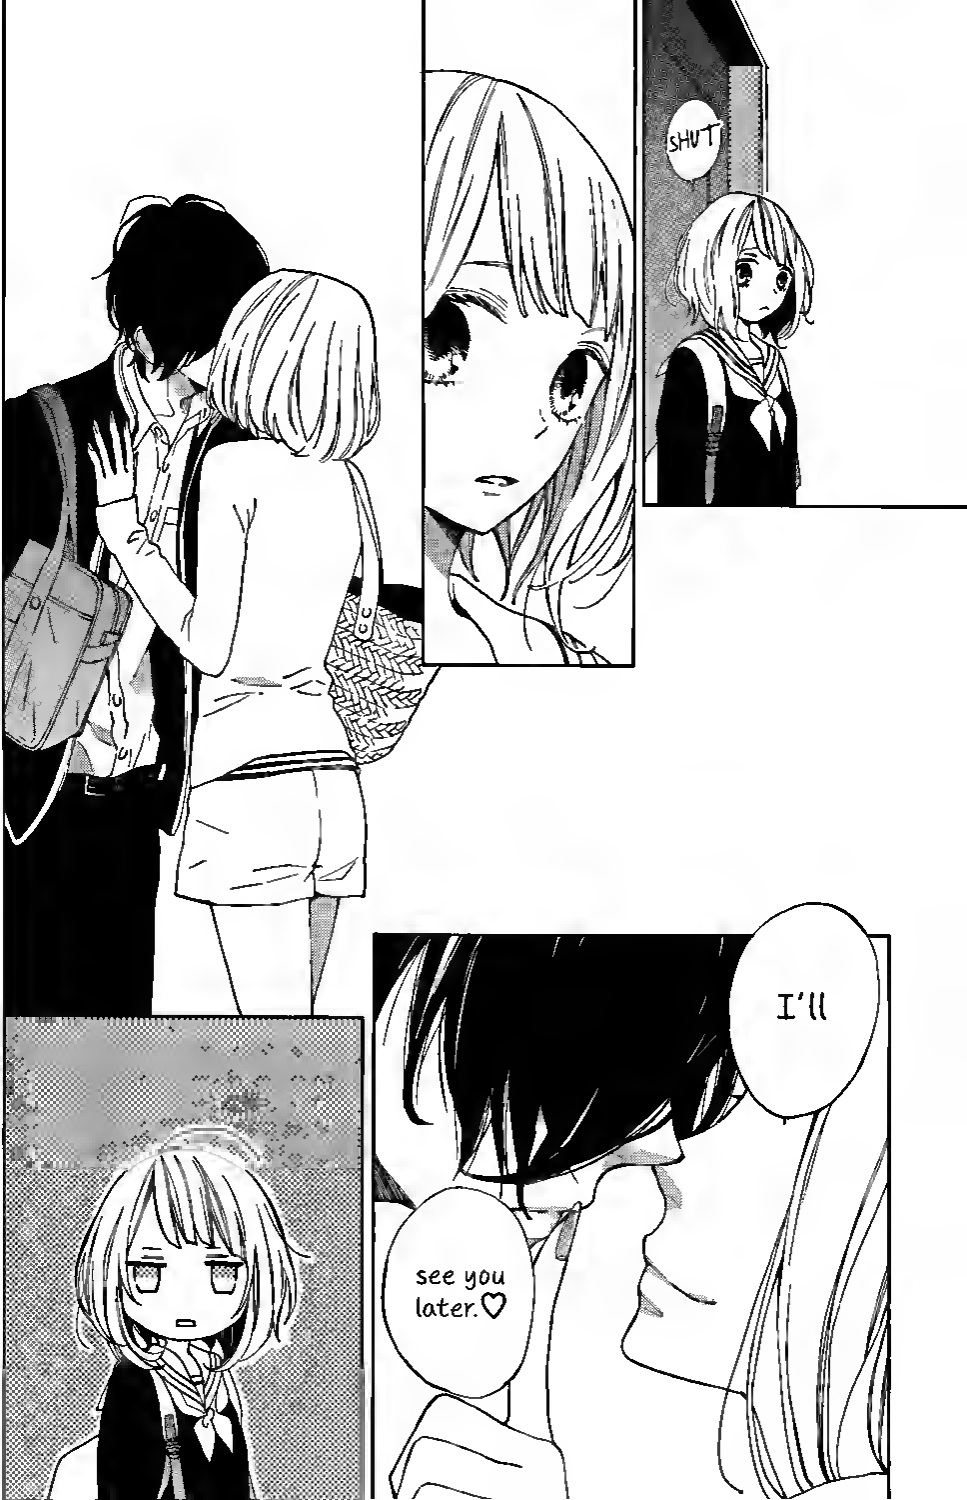
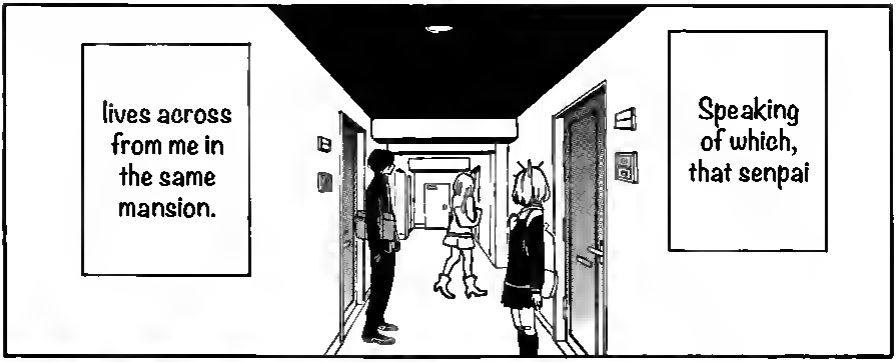
T/N: THE BOOKS DISPLAYED ABOVE ARE FROM SENSEI'S PREVIOUS SERIALISATION "KIMI GA INAKYA DAME TTE ITTE".

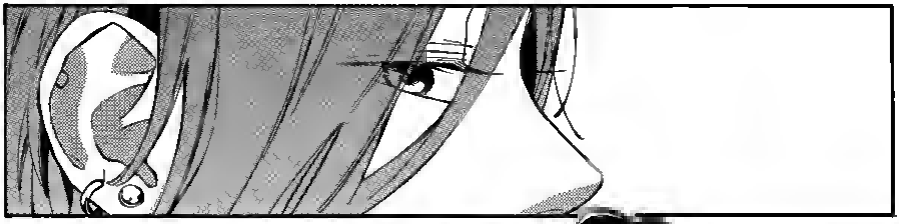
The pure boy I met at the high school cultural festival, whom I fell in love with the moment I laid eyes upon—
Her dazzling memory of her first love.
and I'm heartbroken.
splash
splash
splash
I didn't get much sleep last night.
When we met again,
he turned out to be a womanising sleazeball.
Or maybe he was that sort of person from the very start.
PROBABL
Nah
Left anything behind?
Or rather than a broken heart,
I'M OFF!
OPEN
I was disillusioned and came to my senses instead...
BUT IT WAS A REAL SHOCK.



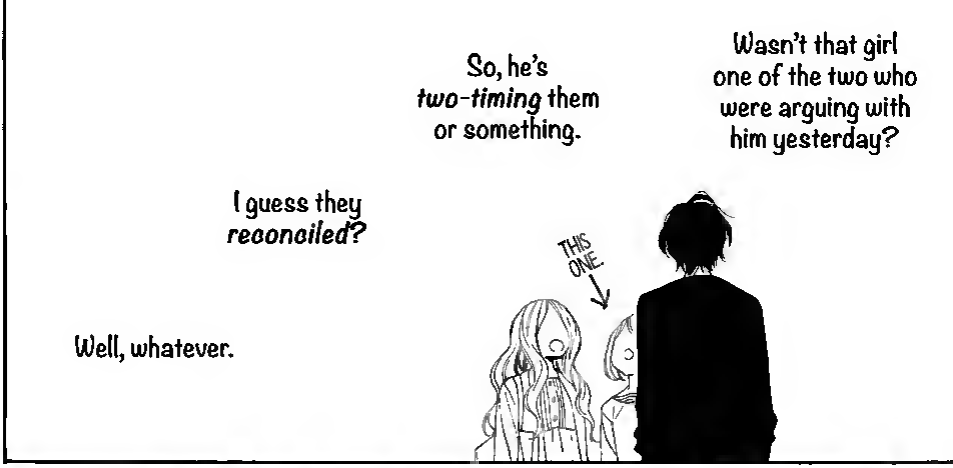
SHUT
I'll
see you later.♡



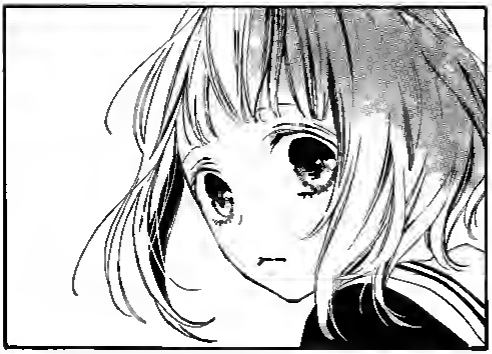
lives across from me in the same mansion.
Speaking of which, that senpai



...Good morning.
Wait.
Oh—
Looks like you saw everything.
Morning.



Wasn't that girl one of the two who were arguing with him yesterday?
So, he's *two-timing* them or something.
I guess they *reconciled*?
Well, whatever.
THIS ONE



He's old enough to know what he's doing.
Iku-chan.

TENSE
YES?
CAU-TIOUS
How's your legs?

It's perfectly fine.
I used to trip quite often back in middle school due to my club activities anyway
Oh?
What club were you in?
Track and field, I was a short distance runner.
So, don't worry, please.
But I do worry
Iku-chan's a girl, after all
step
Just let me apologise...
Ah.

I don't mind using my body to apologise, either.
GYAAAAAAAAH
I SAID THERE'S NO NEED, DIDN'T I?!
IT'S NOT JUST THE INJURY, YOU SHOULD APOLOGISE FOR!!
DASH
OFF
Man, she's fast (haha).
As expected of a former track and field member

Even if

senpai is 80% of the reason I applied for the art club,

I've got to participate in its activities as a proper member.

Good, everyone's here.
Glance
All right, we're going to sketch here at the Natural Forest Park today
It's great that today's a sunny day
WOAH
ARE YOU GOING TO SKETCH IN THOSE CLOTHES, KOIZUMI-SENPAI?
They do look cute on her, though

You're free to sketch whatever you like
You can colour too, if you have time
But please return to the main gate in three hours
Well then, off you go~
Hmmm.

But he's here...
I've—
only drawn sweets
like mascot characters
and stuff I like
Never really learned how to sketch.
Two hours later
Colouring Mode
.....
I don't know how to finish this
Hmm...
I guess this is the best I can do.
That looks pretty plain.

G... GYA AAH!
DON'T JUST SNEAK UP AND LOOK!
blush
Have you found a motif to observe?
Don't just draw the image in your head
Feel it.
Touch it.
Look at it properly
Try to observe from different angles
Only then will the initial image form
from what you're seeing

Eh?
That's a bit rude
Ah,
I see...
You sound very much like a senpai all of a sudden
So,
Since what's left to do here are just to fill in the colours,
pass me your palette and paintbrush
Squint and focus your eyes on that part
You can see that part has the darkest colour, yeah?
CL-
TOO CLOSE!

...Iku-chan?
AH, YES?!

Well, at the start,
it's better if you colour using the method you find best.
Here, your paint-brush

I CAN'T CONCENTRATE AT ALL!!
It's pretty hard to colour like this
Stuck like glue

!!
AH...

Your great senpai is talking, you know?
Are you listening properly, newbie?
Hey—

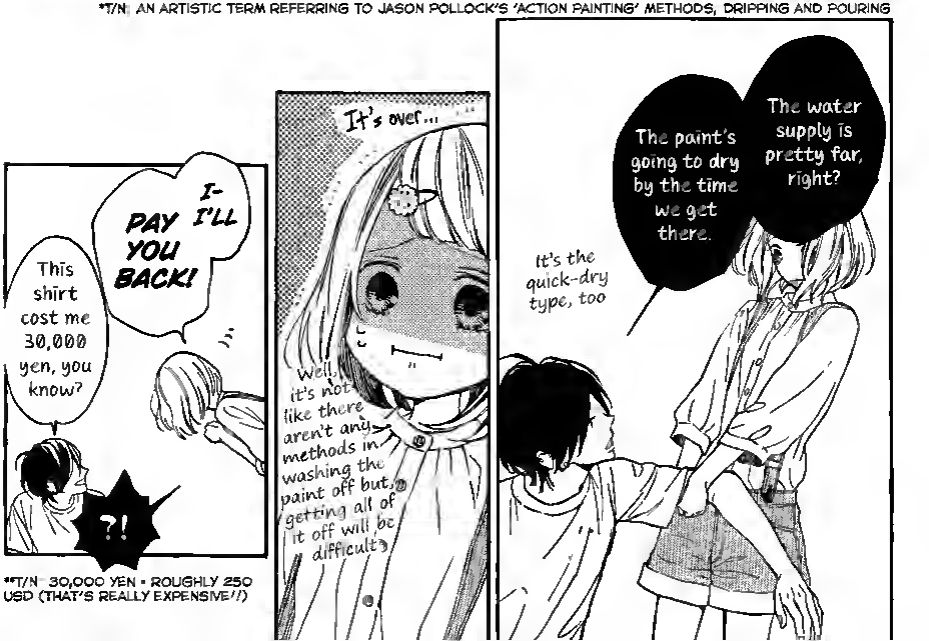
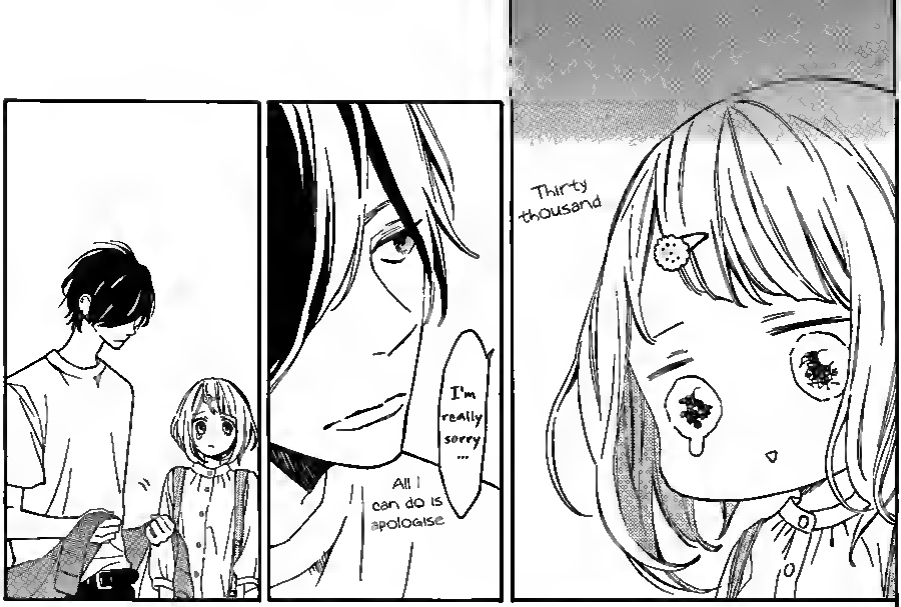
I don't have any watercolour paint so
Ah, seriously?
I brought acrylic along instead...
HURRY UP, WE NEED TO WASH THIS RIGHT AWAY!
Its watercolours, right?
There's no need to be so flustered
I-I-I'M SO SORRY OH MY GOD I'M SO SORRY!
EEE EEE EK!
Nice dripping*, though
IT'S ACTUALLY ACRYLIC!

*T/N: AN ARTISTIC TERM REFERRING TO JASON POLLOCK'S 'ACTION PAINTING' METHODS, DRIPPING AND POURING



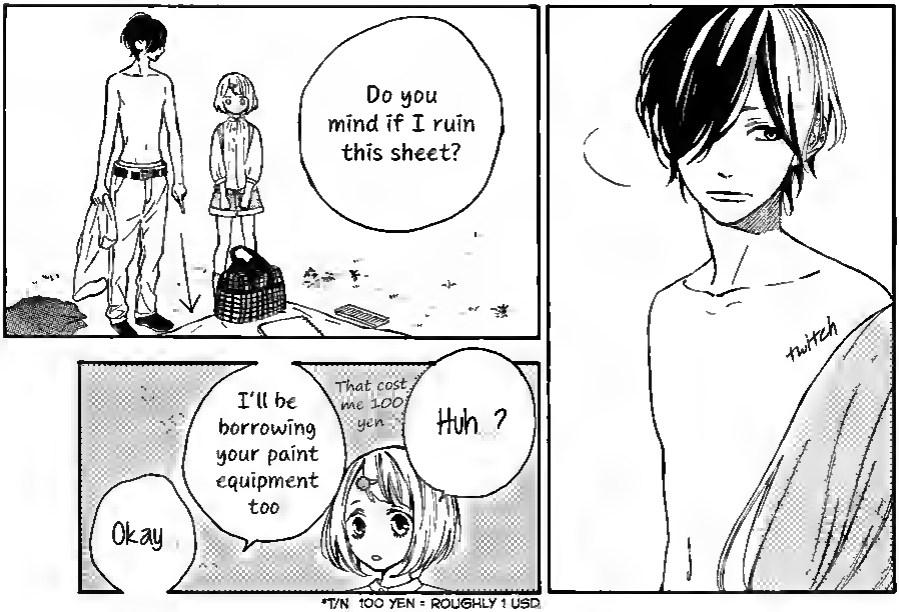
The water supply is pretty far, right?
The paint's going to dry by the time we get there.
It's the quick-dry type, too
It's over...
Well, it's not like there aren't any methods in washing the paint off but, getting all of it off will be difficult.
I-I'LL PAY YOU BACK!
This shirt cost me 30,000 yen, you know?
?!

**T/N: 30,000 YEN = ROUGHLY 250 USD (THAT'S REALLY EXPENSIVE!!)



Thirty thousand
I'm really sorry...
All I can do is apologise

WH...
?!!
Why the heck are you stripping?!

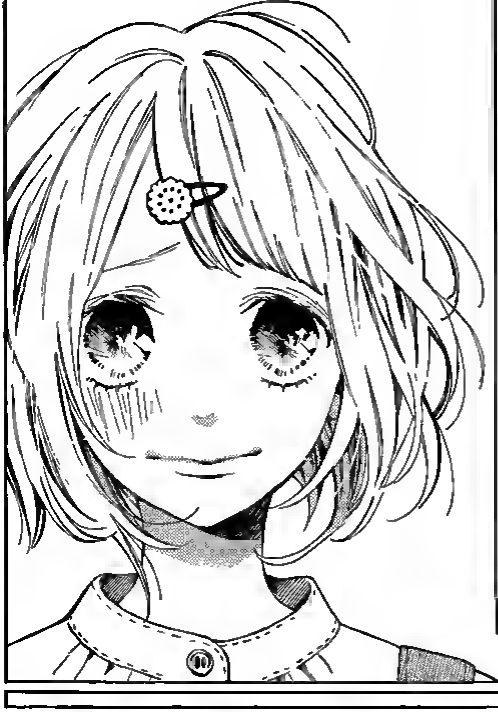


*T/N 100 YEN = ROUGHLY 1 USD

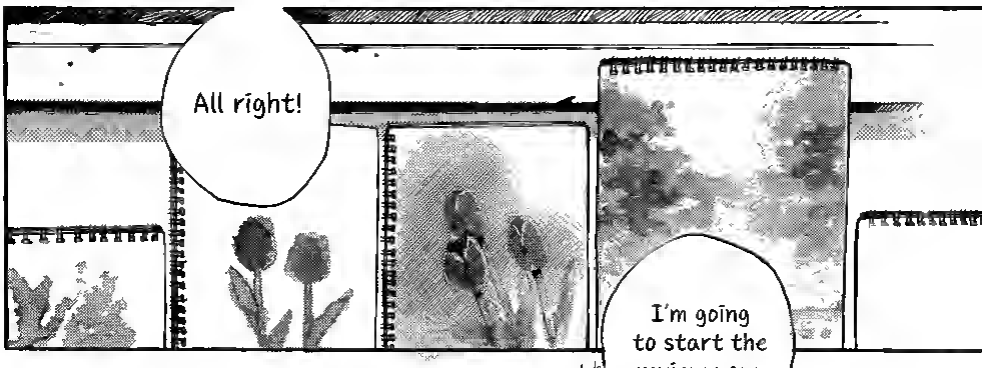
FLICK
Eh...?
EH?!
W-WHAT ARE YOU DOING?!
ARE YOU REALLY THAT FURIOUS?
Waaa—
FLICK
SENPAI!
FLICK
FLICK

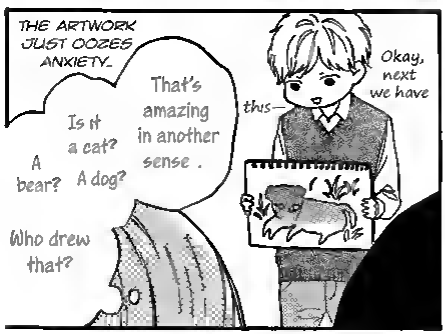
It's like
the colours are dancing.

It's sparkling and dazzling.
I guess this is the best I can do
...It's beautiful!
It's better than the original now.
Doesn't it?



So, don't worry about it.





Were you okay, Saijou-san?
Here, this is the juice I bought for everyone not long ago
Thank you for your hard work!
Yay!
It's lovely as usual, Masumi-san!
I was wondering if you both drew at the same place
both had the same motif so
Souki and Saijou-san
Eh?
I've known him since we were kids.
Really? That's a relief.
Ahh... I'm fine. (Surprisingly)
THAT'S WHY...
we saw something terrible the other day, right?
I MEAN

"Try to observe from different angles.
Look at it properly
Touch it
Feel it.
Only then will the initial image form from what you're seeing."
He's actually quite kind, so
please don't come to hate him, okay?
Come to think of it, why aren't you wearing glasses anymore?
Oh,
It just so happened I ran out of contact lenses at that time
you're talking about that
This juice tastes a little funny.
I see.
On the way home
Huh?
You were wearing glasses when I first met you, right?

.....
So you've taken an interest in me?
Ah, also,
do you live alone, senpai?
You seem to bring a lot of girls over so does that mean your parents are busy with work...?
PFFT...
I live alone.
My parents moved due to a job relocation
and I wanted to stay in this town.
... Huh?
... Ahh—
I feel light-headed.
Yu look'd 'way, dint chu...?
